SENCO® Performance. Power. Productivity.™

DS5550-18V

Features

Tool Free Adjustable Nose Piece
With easy-to-read length markings, adjusts to screw lengths of 25 mm - 55 mm

Super Hard Drive Bits
The longest-lasting drive bits available

Patent-Pending Corner-Fit Feed System
With better line of sight. Smooth operation and excellent wall/corner access.

Adjustable Depth-of-Drive with Depth Lock
For flush drive or countersink

Reverse Switch
To back out driven screws

Variable Speed Trigger
Allows user to regulate RPMs for self-tapping screws into steel and other applications

Wood Nose Piece Insures a straight drive in harder materials

Drywall Nose Piece
Dimples drywall just right

Quick Slide bit release
Move the slide and the bit easily drops in or out

0–5000 RPM High-Speed Motor
Drives screws as fast as you can place the tool

Second Hand Grip
Helps combat worker fatigue

Trigger Lock

Comfortable Grip
Ergonomically designed for extra comfort and better productivity with less exertion

Belt Hook
Keep the tool within reach for improved productivity

Powerful 18-volt Li-ion battery with Fuel Gauge (2 batteries)
Provides optimum balance of power, weight and run-time across the full range of screws, 60 minute charger

Includes Blow Molded Case

Always read the Operators Manual and Safety Instructions with all tool to ensure proper use and safety precautions. For additional information on auto-feed screw systems and how SENCO will save you time, reduce costs and increase quality visit our website at: www.senco-emea.com
